Captain Chris Maddock

Captain Gerardine Smith

Dear Members,

It is both an honour and a privilege for us to serve as Captains of the Club for the forthcoming year. We would like to thank the Committee, our dedicated staff, and our volunteers whose ongoing efforts ensure the continued success of the Club both on and off the course.

The fixture list for the year ahead has been carefully prepared to provide a balanced programme of competitive and social golf. We encourage all Members to take part in the events and to continue to uphold the high standards of sportsmanship, etiquette, and fellowship for which our Club is known.

We wish to thank our sponsors for their generous support, which plays an important role in enhancing our competitions and facilities.

We extend a warm welcome to our new Members and trust that you will soon feel part of the strong sense of camaraderie that exists within the Club.

Finally, we acknowledge the professionalism and dedication of the greenkeeping team in maintaining the course to such a high standard, and we ask all Members to support their work by taking care of the course during play.

We look forward to representing the Club and to meeting many of you over the season ahead, and we wish everyone an enjoyable and successful year of golf.

Yours in golf,

Captains Chris and Gerardine

CONDITIONS GOVERNING MEN'S AND WOMEN'S COMPETITIONS

Competition Rules and Conditions for ALL COMPETITIONS are on display in the Men's and Women's locker rooms and are also available on your ClubNet App. All competitors should ensure that they are familiar with these conditions prior to entering any Club Competition. The Committees reserve the right to alter Competition Rules and Conditions if deemed necessary. Notice of any such alterations will be displayed prominently on the Notice Board and in the ProShop. Committee decisions are FINAL in relation to all competition matters.

RULES OF GOLF AND ETIQUETTE:

All club competitions will be played in accordance with the Rules of Golf. It is each competitor's responsibility to be familiar with the Rules of Golf and apply them during their round. Competitors must also adhere to the etiquette and dress codes required by St Helen's Bay Golf Club.

BOOKING TEE TIMES: Competitors must book their Tee Time using the ClubNet App and pay the Competition Entry Fee and 2 Club entry fee (optional) from their ClubNet purse. If a competitor wishes to cancel a tee time, this must be done by 9.00pm on the day before the competition, otherwise the player will be charged their entry fee.

If for any reason a competitor cannot play in a competition, out of courtesy, timely notice should be given to playing partners on the timesheet. This is particularly important where a tee time relates to a team competition (fourballs/foursomes/ greensomes etc...)

ENTERING COMPETITIONS AND RECORDING SCORES:

Enter the competition on the computer screen in the ProShop and affix the printout to your scorecard. On completion of the round, enter your scores on the computer screen in the locker rooms, sign your card, have your playing partner sign your card and place the card in the box provided.

HANDICAP INDEX AND PLAYING

HANDICAP: A competitor's Handicap Index is maintained in the Handicap Master & Golf Ireland systems and updates overnight following a score entry. A Playing Handicap will be applied automatically by the system when a competitor enters a competition and will be displayed on the printout which should be affixed to the competitor's scorecard.

MENS GOLFER OF THE YEAR

(GOY): Men's Golfer of the Year prize will be awarded based on results in the following 12 competitions. Captain's Prize, President's Prize, Club Championship, PGA Tankard,

Womens Captain's Prize to the Men, Singles Match Play and the six Monthly Medal competitions (April, May, June, July, August and September). The scoring system used to determine the winner is on display in the Men's Locker Room.

WOMEN'S GOLFER OF THE YEAR (GOY): Womens Golfer of the year prize will be based on the best 10 results in the following 12 competitions. Captain's Prize, President's Prize, Club Championship, PGA Tankard, Mens Captain's Prize to the Women, Singles Match Play and the six Monthly Medal competitions (April, May, June, July, August and September). The scoring system used to determine the winner is on display in the Women's Locker Room.

CLUB MATCH PLAY

Conditions and Rules for Club Matchplay competitions will be displayed in the Men's and Women's locker rooms.

OPEN SENIOR COMPETITIONS

Open Senior Competitions (over 50) for Men and Women are scheduled on a Wednesday of each month (April to September).

WOMEN'S COMPETITIONS

Silver Medal: Handicap Index up to 20. See Conditions in the Locker Room.

Bronze Medal: Handicap Index from 20 and higher. See conditions in the Locker room.

LOCAL RULES: Local Rules are outlined on scorecards – also on display in Locker Rooms and ProShop.

WINTER RULES: Winter Rules will be determined by the Committees / Greenkeeper. Check Notice Board / Locker Rooms / ProShop on the day of the competition.

PRIZE WINNERS: As a courtesy to our Captains and Sponsors we request all prize winners to attend prize giving ceremonies. If unable to attend, please nominate someone to represent you.

PACE OF PLAY: St Helen's Bay Golf Club implements the R & A Pace of Play Guidelines (Rule 5.6) – i.e. play your shot when ready (providing it is safe to do so). Maintain your position behind the group in front (not in front of the group behind). If you are holding up the players behind, you must call them through.

Points to note for 2026

Play in Pink Day: This event will take place on Saturday 22nd August. We are planning a fun day and will encourage everyone to get into the spirit of the day by wearing their favourite shade of pink, both on the course and off it. Most important of all we hope to raise funds for a very worthy cause - Play in Pink is a golf fundraising initiative from the National Breast Cancer Research Institute, who fund a comprehensive research programme which aims to improve the diagnosis, treatment options, and outcomes for those who develop the disease.

The Gold Medal: We will continue to run an end of season competition for each of the 6 Monthly Medal winners and division winners, for both men and women. As with the Monthly Medal competitions, this will be a strokes play competition, and will take place on the first Sunday in October. It will not form part of the Golfer of the Year competition.

Senior Open Series: Running alongside the six Senior Opens singles competitions we will have an additional Senior Open Series competition. Prizes will be based on the best three individual senior open cards submitted over the course of the season.

Nine & Dine Friday: Throughout May and June we will run Nine & Dine golf every Friday, including specially priced food offering in the clubhouse. The prize giving will take place the last Friday night of each month in the clubhouse, adding to the social aspect of this event.

Beginners Golf for Women: We are pleased to announce that the Beginners Golf for Women program will take place on Monday evenings in July (Mon 29th June, Mon 6th July, Mon 13th July and Mon 20th July). This is open to both members and visitors. The sessions will commence at 6.30pm – meet at the ProShop. Please note, this event is exclusively for participants aged 18 and above. Beginners as well as those returning to the game, are cordially invited to join us. This is a social gathering designed to prioritise enjoyment whilst exploring the game of golf.

Junior Golf: There will be a junior competition every Tuesday and Thursday in July and August except during the Festival of Golf. Further details will be made available in the ProShop at the appropriate time.
